### How to Order

#### Track is ordered separately from hardware kit.

#### Single Door Solution:

- 1) Track: Specify finish and length. Example: Part number RTBZ-06-A, oil rubbed bronze finish, 6' length.
- 2) Carrier Hardware Kit: Specify style and finish. Example: Part number RT-VSBZ-06, Venice carrier style, oil rubbed bronze finish.

#### Bi-Part Door Solution:

If using two doors that are 3' wide, order a 6' track per door, for a total of 12'. This allows the doors to clear the door opening when in the open position. Order one carrier hardware kit per door and one splice kit.
