A Brief Snippet

Canmade is a North American leader in the supply of specialty hardware. We hold our relationships with our suppliers and customers in high esteem which is why we have more than 40 years of experience under our belt.

We started out small, but over the years we have been importing and distributing functional and decorative hardware for the kitchen, bath, office and ready-to-assemble furniture industries. Our inventory currently boasts over 35,000 products including: adhesives, handles and knobs, lighting, slides and hinges, decorative surfaces, and organisation solutions. We are also conveniently located in Toronto, Montréal and will be growing across Canada and the United States.

Essentially, we strive to be the wholesaler you can rely on for all your furniture hardware needs with ease across North America.

Mission

Our mission is to build lasting relationships with our customers by offering sound and helpful advice, reliable service, great prices, alternatives and easy order processing.

Vision

We strive to be the heart and soul of the woodworking, renovation, interior design, and furniture design industries by helping small and mid-sized businesses grow and flourish through our mode of services and pricing. Our vision is to become the leading North American organization in our industry for customer service, advice, reliability, affordability and options.
