# 1. ABOUT

STARAX was established in 1996 to serve in the kitchen and furniture accessories sector. Every year we improve our product range, workpower and capacity. We are adding more color every year to the sector by developing our product range and with importance we give to R&D. We are also proud to provide a better service to our valued customers with our increasing capacity, stronger experienced staff and new advanced technology facilities and machines. Our brand name is well known in domestic market and we also export to around 90 different countries regularly. Our product groups are functional larder systems, ergonomic under-workbench and corner units, midway accessories, shelf groups inside of cupboards, wardrobe accessories, multi-functional column groups and modern bathroom accessories. We'll continue our way with the support and trust of our customers and always work more...
